MEMORANDUM FOR: All Clandestine Service Staff
and Division Chiefs

SUBJECT : Establishment of Register of Former
Clandestine Service Professional
Personnel

1. An officer has been designated within OPSEER/CSPS to work with the Agency's Civilian Reserve Program in maintaining a register of ex-employees. He will aid in the identification of professionals leaving on retirement or resignation who would like to remain in touch with the Clandestine Service. Information to be compiled will include the current location and activities of retirees and resignees, and will serve as a reference point for operating components who may have a particular need to utilize former employees for temporary assistance or specialized operational tasks. Emphasis will be upon employees in grade GS-9 or above who have spent substantial time in the Clandestine Service and who are not disqualified by reason of disability, cover, or other overriding considerations. Where it is appropriate, the program will include discussions with Clandestine Service officers prior to termination of their employment to determine their plans after leaving CIA, their interests and their willingness to be called upon for special assignments.

2. Inquiries for further information or suggestions to establish or utilize this program should be directed to [redacted]
